

# HW #10-1

1. Referring to Example 6, what is the result of this photo with BPSK signal transmission over the Rayleigh fading channel as  $\text{SNR} = 6.0$  ?  
Compare with the results of Example 6.
2. Referring to Example 7, what is the result of this sound record with BPSK signal transmission over the Rayleigh fading channel as  $\text{SNR} = 6.0$  ?  
Compare with the results of Example 7.
3. Referring to Example 3, find the BCH decoded sequence.
